

*****BREAKING NEWS*****

MANNA is now Great Lakes Scrip or GLS

August 21, 2017

Dear Band Parents,

Welcome Back to School! We are hosting our first GLS fundraiser for this month, the orders will be due on **September 6, 2017**. **GLS is a great way to fundraise for your student's account.**

Please be advised there is a change with the vendor listing. We've attached the comprehensive listing with the percentage amounts. GLS has an impressive number of vendors. Everyone needs gas, groceries, and Starbucks. **Gift cards don't have to be just for gifts.**

***Remember your student will still get 75 percent of the profit.** (i.e. You buy 2 \$10 Gift Card to Chipotle the percentage is 10% so \$1.50 goes into your student's account and .50 cents to the Band Boosters).

There are some differences with the ability to reload cards etc. more info to follow in the coming weeks. Unfortunately, we will **no longer be using the Tri-Fold order forms.** (If you are interested in reloading cards please email me and I will give you the access code to do so.)

Please be sure to complete **the Master Order Form** when you turn in your order. This form is posted on the SHS Band Boosters website.

Also, be sure to make your checks payable to **SHS Band Boosters** on or before **Wednesday, September 6, 2017.**

Thank you for your support.

Sincerely

Debra Grimm
GLS Coordinator
