STUDENT REP - Vote will take place this week to identify student rep. Rep will attend the next meeting.

BAND UNIFORM NEWS - One more fitting will take place this week on Wednesday.

- Shoes are ordered and will be handed out before the first football game.
- We ran out of shirts but more are arriving before the first football game and will be handed out with the shoes.
- If gloves were ordered, they will be in the coat pocket of the uniform. Clarinets and Flutes require gloves.
- Marching band uniforms are stored at the school. They must be checked out before each performance by the assigned student. The student is required to properly hang the uniform and check it in after the performance.
- Formal wear will be sent home with your student and needs to be properly hung and cared for at home after each performance.

FUNdraising - 8/29 is Sprinkles ice cream event. Please refer to the hand out provided this evening for the tentative schedule of SHS Band Family Food nights.

- Savers was a huge hit. Recommendation is to bring clothes/soft goods that can be donated in black garbage bags. The band receives a better payout for those items versus furniture. Currently investigating doing this event again in Nov, so save your donations!

- David Curry Fund-raiser - Make checks out to SHS Band Boosters. There are some new suppliers this year due to tariff issues. First 5 items profit goes to Boosters, any items after 5 profit goes directly to the student accounts. Any profits will be applied to the next payment due for the California trip.

Great Lakes Script (GLS) gift cards - Get list at schaumburgband.com. 75% of profits goes to the student, 25% to Boosters.

Benefit Mobile App - Please see schaumburgband.com for how to sign up. All profits go directly to Boosters.

Please note: Students can use any student profits from fund raisers to pay for things like private lessons and summer camps. Sign into the CHARMS system to check on student balances at any time during the school year. Every student has their own account, they are not combined if a family has more than one student in the band. Your student will have their user id and password to login to CHARMS, the directors will not have this information.

OLD BUSINESS - Band Camp/Boomers Game - thank you for all the assistance. Lesson learned at Boomers' game - where to load and unload makes a difference.

NEW BUSINESS - *If you are interested in volunteering for an event, please contact saxonbandboosters@gmail.com.*

Football Games - After football games, there is a debrief from the drum majors followed by and plays a "concert for ourselves." Once that is done, the band turns in their uniforms. This takes approximately 45 min after a game is completed. On the last football game of the season, all the seniors give a short speech to close out the marching season. This will push back pick up time. Please plan accordingly.

Septemberfest parade - Need volunteers for passing out uniforms before the parade and to water the students during the parade. Students must have a parent sign the student out if they are not traveling back to school on the bus. Student must make sure a peer turns their uniform in at school.

Saxon Band Spirit wear - Jillian Mendez designed the new halftime shirt for this marching band season. Information regarding purchase of the shirt will come out in an email blast in the next week.
