

Hello SHS Band Families,

We are off to a great start with this week’s hybrid band camp! It was great to see so many students both remotely and in-person for yesterday’s rehearsal.

With yesterday’s announcement that we will be starting the school year remotely, we wanted to send some updates regarding the rest of this week’s camp. District 211 is keeping all of our high schools’ band camps in a hybrid format and planning to run in-person athletic camps next week, while closely watching new health data as it comes out each day. However, **in order to keep in-person rehearsals to a small group size, we will be altering our in-person schedule beginning Wednesday afternoon. We will now repeat Monday’s in-person rehearsal schedule on Wednesday, and repeat Tuesday’s in-person schedule on Thursday.** Based on current weather forecasts, we do not anticipate needing to use Friday for inclement weather, but we will keep that as an option for any rehearsal groups that get “rained out” on Wednesday or Thursday evening. The updates to this schedule are found in **green** below:
