Dear SHS Band Students and Families,

Good afternoon. **This week's evening sectionals will continue to be held virtually. We plan to meet on both Monday and Wednesday from 6:00pm to 7:30pm.** We look forward to seeing everyone then!

We also wanted to let students know about a new resource posted on the Members page of the Band website. Within the [Sheet Music Google Folder](#), students can find individual practice tracks of our Foo Fighters music for every instrument. These recordings are a great reference for students as they continue learning their individual parts.

At this point, our proposed band camp times are still awaiting administrative approval. We will share these updated times for the week of August 3-7 as soon as possible.

Have a wonderful weekend!
